LSL-2009 Edge Seal Orange

Edge Sealer for Engineered and Dimensional Lumber

DESCRIPTION
LSL-2009 Edge Seal Orange is formulated as a high quality edge sealer specifically designed to meet the needs of the engineered wood products industry. The sealer minimizes checking, splitting and moisture damage which cause the dimensional instability of wood substrates. LSL-2009 Edge Seal Orange has excellent water repellency and is an economical and environmentally safe product.

WHERE TO USE
- Engineered and Dimensional Lumber & Panel:
  - LSL, LVL, OSB, Plywood, Particle Board
- Industrial Mill Environments

FEATURES AND BENEFITS
- Excellent Water Repellency and Moisture Protection
- Easy to Application
- Environmentally Sound
- Long Lasting Moisture Barrier

PACKAGING
- 1 Gallon
- 5 Gallon Pails
- Drums
- Totes
- Tankers

SHELF LIFE
- 3 months when properly stored.

STORAGE
- Store this product in a clean, dry, shaded or covered environment above 45°F. DO NOT FREEZE.

APPLICATION
LSL-2009 Edge Seal Orange is designed to work in many delivery systems, including: airless and air-assisted spray systems or brush coater systems. Apply one coat of sealer at a wet film thickness of less or equal to 7 wet mils. The film thickness can be adjusted for porous wood or to obtain a higher protection performance. Check with your Willamette Valley Company representative for directions and recommendations.

CLEAN-UP
LSL-2009 Edge Seal Orange can be washed off with water prior to the film drying. If the sealer has dried, scrubbing with hot water and detergent is advised.

NOTES
This product is supplied to the customer in a ready to use form. Any addition of water will result in degradation of the product performance.
DISCLAIMER OF WARRANTY

Test results are to be considered as representative of current production and should not be treated as specifications. While all the information presented in this document is believed to be reliable and to represent the best available data on these products, no guarantee, warranty, or representation is made, intended, or implied as to the correctness or sufficiency of any information, or as to the suitability of any chemical compounds for any particular use, or that any chemical compounds or use thereof are not subject to a claim by a third party for infringement of any patent or other intellectual property right. Each user should conduct a sufficient investigation to establish the suitability of any product for its intended use.

HEALTH AND SAFETY

Willamette Valley Company recommends reading and becoming familiar with the Material Safety Data Sheet before using this product.
