THE COLORS SHOWN ARE SIMULATED TO APPROXIMATE THE APPEARANCE OF THE ACTUAL COATING. COLORS ARE TO BE CONSIDERED AS APPROXIMATIONS OF CURRENT PRODUCTION AND SHOULD NOT BE TREATED AS SPECIFICATIONS. FACTORS SUCH AS SURFACE APPEARANCE, LIGHTING, GLOSS AND NUMBER OF COATS MAY CAUSE COLOR VARIANCE. THE WILLAMETTE VALLEY CO. RECOMMENDS A MOCK UP OF THE PRODUCT TO ENSURE THE AESTHETIC INTEN IS ACHIEVED. TWO COATS ARE RECOMMENDED ON ALL COLORED PRODUCTS TO ACHIEVE FULL DEPTH OF COLOR.
