U-100 MB PF 6:1
Two-Component Polyurethane Wood Filler

DESCRIPTION
U-100 MB PF 6:1 synthetic patch is a two-component polyurethane wood filler. It works well in applications that require a long lasting, smooth wood like finish such as moulding, furniture grade plywood, door blanks, and any application where a smooth surface is required. It is designed with microscopic spheres to allow stain acceptance, machining, and easier sanding. U-100 MB PF 6:1 is specifically formulated to minimize product shrinkage on cure and maintains a smooth wood like finish.

WHERE TO USE
- Moulding, Laminated Beams, Door Blanks
- Furniture Grade Milled Lumber
- Plywood Panels

FEATURES AND BENEFITS
- Passes APA testing – quality assurance
- Micro-Spheres – stainable, easier to sand and plane
- Specifically formulated to minimize shrinkage
- Smooth wood like finish – paintable
- Fully REACH Compliant – phthalate-free

PACKAGING
5-gallon pails
Drums: 55-gallons
Totes: 330-gallons

SHELF LIFE
6 months from date of manufacture when properly stored. May require mixing after prolonged storage.

STORAGE
Store this product in a clean, dry, shaded or covered environment above 45°F (7.2°C). DO NOT FREEZE.

APPLICATION
Willamette Valley Company metering equipment is highly recommended for the application of U-100 MBPF 6:1. The metering equipment is specifically engineered for controlling the mix ratio, temperature, viscosity, and set time for U-100 MBPF 6:1. Contact your Willamette Valley Company representative for information about metering equipment.

ADVANTAGES
Under proper surface preparation and mixing conditions, U-100 MBPF 6:1 passes American Plywood Association tests for routed defects of up to 2.25" (5.7 cm) in diameter.

The Willamette Valley Company also offers an excellent Full Service Warranty.
NOTES
This product is supplied to the customer in a ready to use form. Any addition of water or other materials will result in degradation of the product performance.

HEALTH AND SAFETY
Before handling, you should become familiar with the Safety Data Sheet (SDS) regarding the risks and safe use of this product. To obtain an SDS please call 800 333 9826 or send an email to: msds@wilvaco.com.
