Wil-Pro SP-1020 White

**Description**
Wil-Pro SP-1020 White is a water-based, exterior grade top-coat designed for durability in hard wear areas, weather and sunlight. It is formulated for spray application over primed wood to achieve a smooth finish. Wil-Pro SP-1020 White will provide good adhesion to primers. The viscosity can be modified for other types of application methods.

**Where to Use**
- Exterior Siding, Fascia, Moulding & Trim
- Industrial Mill Environments
- Garage Doors

**Features and Benefits**
- High Hiding, Smooth Top Coat
- Strong Adhesive Bond to Primer
- Excellent Resistance to Weather and Sunlight
- Durable for Hard-Wear Areas
- Semi-Gloss Appearance

**Packaging**
- Drums
- Totes
- Tank Truck

**Shelf Life**
6 months from delivery when properly stored.

**Storage**
Store this product in a clean, dry, shaded or covered environment between 40 - 80°F (4.4 - 26.6°C). Do not freeze.

**Application**
Wil-Pro SP 1020 White is specifically designed for spray applications. For other types of application methods check with your Willamette Valley Company representative for directions and recommendation for use.

Top Coat can be dried with conventional air, forced hot air or IR.

**Clean-Up**
Clean equipment before paint dries completely. If the paint has dried, hot water, detergent and scrubbing will be required.

**Notes**
This product is supplied to the customer in a ready to use form. Any addition of water to reduce viscosity may result in degradation of the product performance.
**DISCLAIMER OF WARRANTY**

Test results are to be considered as representative of current production and should not be treated as specifications. While all the information presented in this document is believed to be reliable and to represent the best available data on these products, no guarantee, warranty, or representation is made, intended, or implied as to the correctness or sufficiency of any information, or as to the suitability of any chemical compounds for any particular use, or that any chemical compounds or use thereof are not subject to a claim by a third party for infringement of any patent or other intellectual property right. Each user should conduct a sufficient investigation to establish the suitability of any product for its intended use.

**HEALTH AND SAFETY**

Before handling, you should become familiar with the Material Safety Data Sheet (MSDS) regarding the risks and safe use of this product. To obtain an MSDS please call 800 333 9826 or send an email to: msds@wilvaco.com.
